

PRINCIPAL'S MESSAGE

Principal's Message

Dear parents,

Welcome to the 2018-2019 school year! I am excited to begin this year together as we work in partnership to ensure every student at Oxford is actively engaged in a rigorous learning experience while developing social-emotional skills that will foster resilience, perseverance, empathy and the ability to collaborate and communicate in a diverse learning and work community. This year aims at implementing all aspects of happiness in all members of Oxford community, so let's start our jubilant journey!

FIRST SEMESTER

Highlights

- We proudly announce that our school has started a charity campaign that aims at educating our children of the importance of helping people in need, as a bigger step towards spreading happiness to touch people around us.
- Scout teams were formed and tested.
- With the aim of building a cooperative as well as a competitive atmosphere among our children, our school has started the theme of "Oxford Heroes" as a competition that gives students the chance to show their abilities to maintain their status of their classes, behavior, cleanliness and educational progress as best as possible.

Activities

- Our students enjoyed the back-to-school celebration that was held on the first day.
- Our school has planned and conducted different educational fieldtrips:
- Grades one, two and three went to the Children's Museum.
- Grades four went to the Royal Tank Museum.
- Grades four, five and six went on an entertaining fieldtrip to "The Challenging Village".
- Stemming out of the school's strong belief of the power of happiness to motivate students' creativity, happiness was spread around through holding the activity of "Happy Day".
- Our first parents meeting was successfully held to discuss students' performance through the past two months.

Quote of the Month

Happiness held is the seed;
Happiness shared is the flower.

Vision

Mission

Vision

A better education for a better future

Mission

To have a great influence on our students' knowledge, personality and overall future
