

Dear Students,

PRINCIPAL'S MESSAGE

Thank you for another wonderful and productive school semester. Thank you for your endless hours of volunteering, reading, organizing & doing whatever was necessary to support and help each other.

Best regards.

Highlights

1.Oxford School congratulates Hamze Mansour, grade 3 student for winning the competition "Iqra' in Arabic" and getting the second place at the kingdom's level.

2.Oxford School congratulates the student Mohammed Al Hindi for participating & winning in the Horse riding championship.

3.Oxford's Training Clubs:

-**Football :** students of grades 1-6 practice extensive exercises with our professional coaches.

-**Basketball :** students of grades 1-3 are provided with the best basketball exercises to improve their body power & performance on our school's basketball court.

-**Kick Boxing classes** for our brave students held at Oxford school's gym.

-**Piano classes** for our dear students with professional musicians held at our school's music room.

-**Zumba dance classes** for our pretty girls where they have interesting moments.

Activities

1.Welcome Back to School.

An exciting event that included wonderful activities for kids such as cartoon characters' show and wishing students a happy new school year full of enthusiasm and joy.

2.Religious Activities. Students of grades 1-6 celebrated the birth of Prophet Mohammed peace be upon him.

3.Students of grades 5 & 6 enjoyed their time by attending a moral play about Road Traffic Safety.

4.Writers of the week & handwriting stars were appreciated & had certificates for their great efforts and noticeable progress in the writing skills.

5.Rewarding top students who were academically distinguished in their classes during the school year 2018-2019.

6.Tele Match.

Fun games and activities were held in a special day for our lovely students in order to energize them to the new school year.

7.Outdoor Classes :

-A Vocational Education Class for 6th grade students was held in the school yard where students planted colorful flowers and enjoyed their time in the sun.

-Art Classes for grades 5 & 6 were held outdoors and the students showed creative efforts and colorful paintings.

-Seed balls activity for grade One students was held with the supervision of their homeroom teachers.

-Math activity for grade 1.A was held outside the class in which students learned the numbers through the game Snakes and Ladders.

Quote of the Month

"Never leave that till tomorrow which you can do today."

Benjamin Franklin

Vision

Mission

Vision

A better education for a better future

Mission

To have a great influence on our, students' knowledge, personality and overall future

Announcement

1.Join our training clubs & enjoy your time with your friends and teachers. In our school, we welcome all our students to be part of the school's young teams.

2.Extracurricular Activities: Culture Day, Spelling Bee & Holy Quran competition are coming soon. Get ready for the excitement & challenge your limits.

3.Finals: Time is short & final exams are on the doors. Good harvest will come to those who work hard. It's your time to shine.
